I'm still waiting on a reply or two, but let's go ahead and ink this meeting for the 29<sup>th</sup>. That way we can reserve the spot on your folks calendars.

FYI, I will likely have a few more folks than usual in attendance as we will be in the middle of contractor transitions and there is so much information to transfer for OU-1.

Jack,

Can you verify whether June 29 will work for your team?

Thanks,

Dave
